Oravet Dental Chews

Plaque and tarter are very common problems in dogs. Plaque forms when bacteria attach to teeth, and over time, this plaque hardens to form tarter. The accumulation of plaque and tarter can lead to bad breath and health problems. The dual action approach of Oravet Chews doesn't just clean teeth and freshen breath. It creates a barrier to help protect against plaque and tarter and bad breath. For use in puppies and dogs 6 months of age and older. We have 14 count boxes or 30 count boxes available. **Rebate:** Mail-in rebate. Buy three 30ct boxes and receive the following rebates. For extra small and small size chews you will get an \$8.00 rebate. For medium size chews you will get a \$12.00 rebate. For large dog chews you will get a \$15.00 rebate.
